Subject: New Opportunities to Get to Know UF at Blue Key

10/27/2009

Dear Coaches,

This year we are offering new and exciting opportunities for students, parents, and coaches during the tournament. Many of the students who will attend the tournament will one day apply to the University of Florida, so we thought that this would be the perfect opportunity to showcase the campus and its resources.

On Sunday, November 1, we will have official campus tour guides hosting a tour of the University's campus starting at 2:30PM in Turlington Plaza. This is a completely optional event that will allow students to get background on many of the historical sites and important places on our campus. We are also holding an organizational fair from 4-5PM right outside the Reitz Union Grand Ballroom. The fair will showcase a large assortment of student and academic organizations from the University of Florida, including Student Government, the UF Speech and Debate Team, and the UF Admissions Office.

All of this information will be available at the opening ceremonies, but we wanted to give you some advanced notice of these exciting opportunities so that you can plan accordingly. These programs will in no way interfere with the operation of the tournament or our schedule. We are committed to providing the best debate tournament possible for all of the students attending, and are very excited to offer these programs to enable your students to become more familiar with the University of Florida campus and all that our school has to offer.

As always, if you have any questions or concerns, please contact us by e-mail to registration@bluekeydebate.com.

Respectfully yours,

Ryan Ross, Chairman
